### **Community**

Taipei City boasts its diverse culture and prosperous economy as well as serves the educational needs of the nation. In Daan district, students are able to immerse themselves in various activities and learning opportunities outside the classroom.

### **School**

Founded on November 11<sup>th</sup>, 1948, Jinou Girls High School is located on the Daan district, Taipei. In Taiwan, senior secondary education consists of three years of schooling from grade 10 to 12. Jinou Girls High School is a three-year private school, including “general study” and “vocational study.” More recently, Jinou has promoted international education, international exchange events in collaboration with many international sister schools, building a great reputation.

The goals of Jinou Girls High School are to provide an excellent all-round education, create a stimulating, secure, and enjoyable learning environment, and cultivate students’ character and talents. Besides, students’ multiple intelligences and individuality are highly valued.

The teachers and students have worked hard together, and the school’s performance has been widely recognized. Students have attained great achievements in academic performance, extracurricular activities, community service-learning, or art and sports.

### **Curriculum**

Jinou Girls High School is semester-based with two 20-week semesters per school year.

### **Extracurricular Activities**

Jinou Girls High School has 27 student clubs, including marching band, school choir, street dance club, Taiko club, etc. and students can choose one club to join. Besides officially designated time, students often utilize lunch break and after-school hours to participate in club activities.

### **Post High School Placement**

Nearly 95% of the students pursue further studies in college after graduation.
